
City of Madison FY19 Annual Action Plan: Substantial Amendment #2 to Accept Additional 2020 CARES Act Funding

In March 2020, Congress passed and the President signed the *Coronavirus Aid, Relief and Economic Security Act* ("CARES Act"), which provides critical supplemental funding to communities in their local response efforts to the COVID-19 pandemic.

Acceptance of the CARES Act funds that are allocated via HUD's Office of Community Planning and Development (CPD) requires a HUD Grantee to submit a Substantial Amendment to its FY19 Annual Action Plan. The City of Madison submitted an initial Substantial Amendment to its FY19 AAP to accept CARES Act funds in August 2020, which was subsequently approved by HUD.

On September 11, 2020, HUD awarded the City of Madison an increased allocation of CDBG-CV funds through the CARES Act. Acceptance of these additional funds requires the City to submit another Substantial Amendment to its FY19 Annual Action Plan.

Changes from the City of Madison's initial Substantial Amendment to its FY19 AAP are **highlighted** on the pages that follow.

The City's originally submitted FY19 AAP is available at:
https://www.cityofmadison.com/cdbg/documents/2019_Action_Plan.pdf.

The City's first Substantial Amendment to its FY19 AAP is available at:

Following a Plan. It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds. It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit.** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2019 (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force. It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance With Anti-Discrimination Laws. The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint. Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;
