First-Ever Fire Academy for UW's Greek Community

The City of Madison Fire Department will hold its first-ever Campus Fire Safety Academy for leaders in the University of Wisconsin – Madison's community of fraternities and sororities.

Seventy students are registered for the all-day event. The Academy begins at **8 a.m., Saturday, September 5 at 126 Langdon St.**

Students will participate in hands-on activities designed to demonstrate both safety hazards and prevention strategies.

- The activities include:
- Fire extinguisher training
- Hose handling
- A mock inspection for common code violations
- A full scale evacuation drill

The Department is presenting the program in collaboration with the UW Student Organization Office.
