

# Nearside bus stop parking restriction

Official bus stop sign (see approximations) will generally be posted about 100 feet before an intersection corner. The No Parking Arrow will point forward and to the left. DO NOT PARK between the sign and intersection corner.

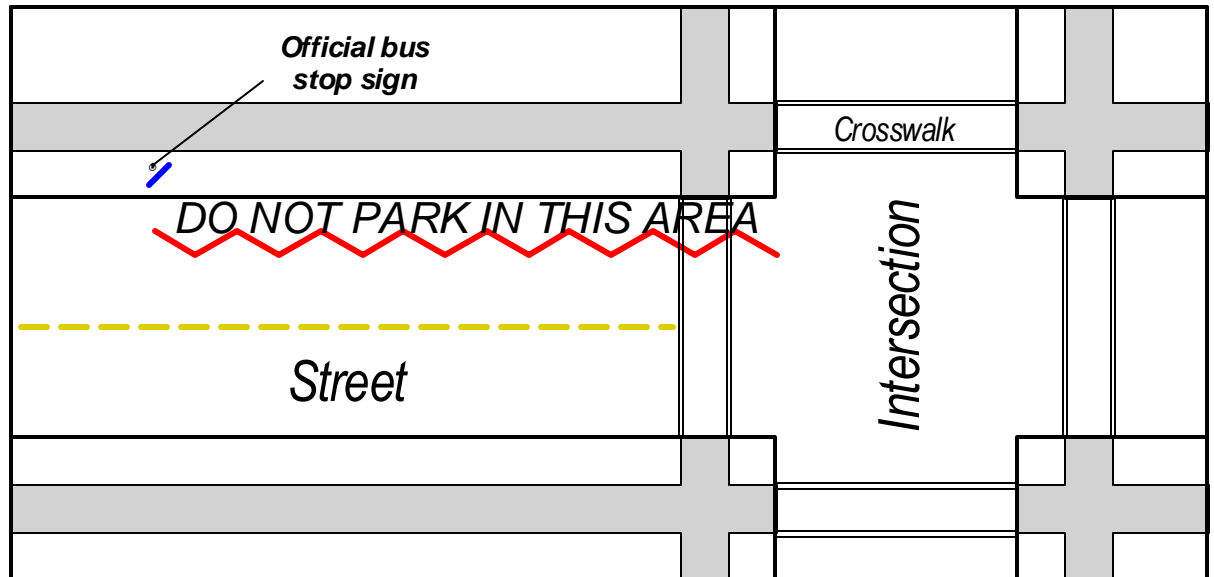

(White numbers on blue field)

Produced by Metro Transit, Apr 2009, to illustrate Madison General Ordinance 12.131

# Farside bus stop parking restriction

will generally be posted about 80 feet after the corner. The No Parking Arrow will point back and to the right. DO NOT PARK between intersection corner and the sign.

Official bus stops in the middle of a block will look like a farside sign, but will have an additional sign reading "No Parking Between Signs" posted generally 110 feet before it. DO NOT PARK in the space between these two signs.

The fine and forfeiture amounts for violation of MGO 12.131 are listed in Chapter 12 of the MGO
