Alder John Guequierre of District 19 has planned a series of three educational sessions with accessibility and inclusivity at the heart of these sessions. Alder Guequierre invites residents to think critically about what is needed to create and sustain an environment in which all residents can realize their full potential. Residents will have the opportunity to speak personally at the first two sessions, which will be in-person at the Oakwood Village Auditorium, and through the chat at the last session which will be virtual.

This session will take place on **Wednesday, October 16, 2024, 6pm-8pm**, virtual via Zoom. You can join the virtual meeting using your computer, smartphone, or tablet or listen in via telephone. You will receive login information after registering at www.cityofmadison.com/MeetingOctober16Budget. This session will feature a deeper dive into cut scenarios and the impact of cuts. Spanish and Mandarin interpretation will be available at this virtual meeting. Additional languages upon request.

Members of the Common Council have been invited to attend, and a possible quorum of the Common Council may exist at this event.
