Instructions for Completing Schedule 1-A

RECEIPTS - Contributions (Including Loans) From Individuals

General Instructions:

- ▶ Print or type the complete name of your committee in the box provided.
- ▶ Duplicate as many pages as you will need in order to report contributions, including loans from individuals, on this form.
- ▶ Enter the number of Schedule 1-A pages in the upper right corner of the form.

Date: Enter the date (month, day, year) each contribution was **RECEIVED**. *Do not* enter the date that appears on the contributor's check or the date deposited, unless it is the same as the date received (*is in committee's possession and control*).

Full Name, Mailing Address, and Zip Code:

1. Enter the full name and address of the contributor.
2. For single or cumulative contributions totaling over \$200 in a calendar year: Enter the full name and address of the contributor. Enter the **occupation**.

Calendar Year-to-Date Total: Add contributions previously received this calendar year, from this contributor to the contributions received in this report period. The Calendar Year-to-Date Total for an individual must always be entered. The Current Amount and Year-to-Date Total will be identical on the first report period of the calendar year. Once the individual's Calendar Year-to-Date Total exceeds \$200, you must enter the contributor's occupation.

Subtotal Itemized Contributions this page: Enter the total of all the contributions listed on this page. If additional pages are used, enter the subtotal for each separate page.

Total Itemized Contributions: Add the subtotals from all pages of Schedule 1-A. If more than one page, enter the total on only the last page of Schedule 1-A.

Total Anonymous Contributions \$10 or less: Enter the total of anonymous contributions of \$10 or less only on the last page of Schedule 1-A.

Total Contributions Received from Individuals: Add the total **Itemized** contributions to the Total **Anonymous Contributions \$10 or Less** and enter the amount **only** on the last page of Schedule 1-A.

Special Instructions:

- ◆ Contributions and loans from individuals on Schedule 1-A include any cash, personal or individual loans, purchase of tickets to fundraising events, memberships, gifts, advances, in-kind contributions, and all other personal contributions from an individual **including** the candidate. An in-kind contribution is any goods, property, or services provided to the committee free or for less than the fair market value. (*Volunteer services are not a contribution*).
- ◆ **In-kind contributions from individuals must also be reported as in-kind expenditures on Schedule 2-A to avoid distortion of the cash balance.**
- ◆ When the contribution is in-kind, a loan, or is received through a conduit, check the appropriate box in the section where the contribution is listed. If you receive a personal check or cash, no box needs to be checked.
- ◆ Contributions from individuals transferred through conduits are reported on Schedule 1-A under the individual contributor's name with the name of the conduit listed. The transmittal letter accompanying the conduit check, identifies the conduit and lists the individuals who are the original sources of the contributions. These contributions are subject to itemization on the same basis as other individual contributions; if over \$200, the occupation must be provided.
- ◆ Any individual loans, either from the candidate or from another individual, must be reported on Schedule 1-A **and** on Schedule 3-B, Additional Disclosure, Loans, until paid in full. Loans from individuals are subject to individual contribution limits (see Campaign Finance Overview).
- ◆ Each contributor's name, address, and amount must be listed separately. Contributions from joint accounts shall be reported as coming from the individual signing the check, unless the signor indicates otherwise. If the amount is divided, each individual must be itemized separately. Do not report a contribution as coming from more than one individual.
- ◆ All receipts, including those from raffles, auctions, garage sales or other similar events must be itemized unless the contribution is anonymous and totals \$10 or less.
- ◆ Do **not** report contributions from political action committees, political party committees, or other candidate committees on Schedule 1-A. These contributions must be reported on Schedule 1-B.
