RE: Nakoma Country Club 09/01/24 Fireworks Display FIRPWD-2024-00606

The City of Madison Fire Department (MFD) has reviewed the application materials for a Fireworks Event Permit. The Fireworks Event Permit is hereby conditionally granted pending site survey. The following are the conditions of the permit:

- The event will be performed on September 1st, 2024 with no rain date scheduled.
- Permission is contingent upon compliance with all applicable codes and standards.
- Nakoma Country Club is solely responsible for compliance with the applicable codes and standards and shall comply with all NFPA and ICC codes.
- Approved fire extinguishers shall be provided at approved locations.
- **The Event Organizer is responsible for notifying neighbors and neighborhood associations prior to the event in order to reduce the stress or trauma for people with PTSD, individuals with loud noise sensitivities, and pets.**
- If you have any questions regarding the above, please contact me at 608-575-5090. Your continued cooperation is greatly appreciated.

The **Fireworks Shooter Permit, FIRPWD- 2024-00607**, has been approved as well, and will be issued a separate letter.

We hope you have a safe event.

Respectfully,

Paul Graening
