Vision

Healthy people. Healthy Places.

Mission

Working with the community to enhance, protect, and promote the health of the environment
and the well-being of all people.

Janel Heinrich, Director, Downtown Office 243-0341
Provides administration, leadership, management, planning, and implementation of public health activities as they relate to health, consumer protection, and environmental protection. Also acts as liaison with other local, state and federal agencies.

**OPERATIONS DIVISION
Downtown Office**

The Operations Division is responsible for developing and monitoring the agency's budget and accounting, providing administrative and clerical support for the agency across three offices and two clinic sites, coordinating human resources and workforce development, leading media relations, coordinating strategic planning, accreditation, and quality improvement activities, and leading emergency preparedness efforts.

Kate Austin Stanford, Director of Operations 242-6521
Division leadership, management, planning and implementation.

Millicent Hutchinson, Budget and Finance Supervisor 243-0371
Manages all budgeting and accounting functions including development and monitoring of budgets, purchasing, payroll, billing, and contract monitoring.

Melanie Jicha, Administrative Services Supervisor 242-6292
Manages operations and administrative support for all office locations and all human resources, including the hiring process, orientation and on boarding.

Sarah Mattes, Communications Supervisor 242-6414
Develops and implements internal and external communications, oversees quality improvement and performance management activities, and directs emergency preparedness efforts, and professional development.

**COMMUNITY HEALTH DIVISION
East Washington Office & Clinic, Atrium Office, and South Madison Clinic**

To enhance the health and safety of the families in our community, this Division monitors and works to reduce rates of communicable diseases, provides healthcare services to uninsured/underinsured residents, and supports healthy birth outcomes through home visiting and nutrition assistance programs.

Carl Meyer, Community Health Division Director, Atrium Office 243-0425
Division leadership, planning, and implementation.

Karri Bartlett, Supervisor, East Washington Office 243-0439
Manages:

- STI-HIV Program and Clinic
- Acute and Communicable Disease Program

Jill Denson, Supervisor, East Washington Office 242-6529
Manages:

- Sexual and Reproductive Health Programming
- Well Woman Program

Katarina Grande, Supervisor, Atrium Office 243-0409

Manages:

- Maternal and Child Health Outreach
- Fetal Infant Mortality Review
- Breastfeeding Program

Katrina Harwood, Supervisor, East Washington Office 243-0432

Manages:

- WIC (Women, Infants, and Child Nutrition Program)

Kate Louther, Supervisor, Atrium Office 243-0317

Manages:

- Tuberculosis Prevention and Control Program
- Immunization Program

Daniel Stattelmann-Scanlan, Supervisor, Atrium Office 243-0404

Manages:

- Prenatal Care Coordination
- Nurse-Family Partnership Program

ENVIRONMENTAL HEALTH DIVISION **Atrium Office, Downtown Office**

This Division monitors and regulates the surroundings in which people live, learn, work, and play in order to prevent injuries or illnesses from occurring. This includes issuing permits and inspecting businesses, monitoring environmental conditions, and decreasing the number of hazards to which the public are exposed.

Doug Voegeli, Director of Environmental Health Division, Environmental Health Office 243-0360

Division leadership, planning, and implementation.

Bonnie Koenig, Environmental Health Supervisor, Environmental Health Office 243-0327

Manages:

- Licensing and inspection of food establishments/vendors.
- Regulation of lodging facilities and swimming pools.
- Investigation of food and waterborne illness.

John Hausbeck, Environmental Health Supervisor, Environmental Health Office 243-0331

Manages:

- Animal Services
- Well and Septic Program
- Health and Safety Environmental Risks (e.g., lead investigations, West Nile Virus)

Doug Voegeli, Environmental Health Labs Supervisor, Downtown Office

243-0360

Manages:

- Environmental Health Labs (Tests: water, clinical specimens, hazardous materials/spills, landfill leachate monitoring)
- Water Testing (e.g., drinking, surface and groundwater, swimming pools, beaches)
- Evaluation of various environmental problems including road salt, fertilizer and pesticide use

POLICY, PLANNING & EVALUATION DIVISION

Downtown Office

To improve community health and address health inequities, this division collaborates internally, with community partners, and with decision makers to provide information, evaluation, and technical assistance. Some of the ways we do this is through: providing data analysis, supporting program planning and community engagement, and facilitating program evaluation.

Aurielle Smith, Director of Policy, Planning, and Evaluation

242-6508

Division leadership, planning and implementation.

Sandy Bogar, Supervisor

242-6503

Leads a team that strengthens and creates community partnerships and provides technical assistance to build capacity of organizations to support healthy communities.

Julia Olsen, Supervisor

243-0401

Leads a team that coordinates the use of data to drive community health assessments, community planning, and make recommendations for systems and policy priorities to support long-term population health.
