

**DEPARTMENT OF PUBLIC WORKS
Engineering Division
Room 115, City-County Building
266-4751**

FAX: 264-9275

engineer@cityofmadison.com
www.cityofmadison.com/engineering

Mission, Goals and Objectives

To maintain the public streets, bridges, underpasses, sidewalks, wastewater and drainage systems to acceptable and legally required service levels providing comparable service to all citizens. To expand these public facilities necessary to accommodate the growth of the City minimizing the cost to existing citizens. To serve as warden of the City's closed landfills and underground storage tanks protecting the adjacent residents and properties in compliance with the environmental regulations. To accomplish its mission safely and with an economical use of resources.

Robert F. Phillips, P.E., City Engineer **266-4751**

Capital Budget, Public Works projects, Labor relations, Personnel, Engineering Division employees references, Training (Engineering Division employees), Annexations, Board of Public Works, Compensation payments, General operations.

**Greg Fries, P.E., Assistant City Engineer and Storm & Sanitary Design
(Deputy City Engineer)** **267-1199**

Backup to City Engineer, Committee on the Environment, Contract Change Orders, Storm Water Utility, Sanitary Sewer Utility, sewers, greenways, development and maintenance. Shoreline improvements.

**Kathleen Cryan, Assistant City Engineer - Operations, Mapping and Personnel
(Deputy Division Manager)** **266-4819**

Engineering Operations (Sanitary Sewer, Storm Sewer and Closed Landfill(s)), Facilities Maintenance and Mapping Sections. Personnel. Madison Sewer Utility regulatory compliance (Compliance Maintenance Annual Report and Capacity, Management, Operations and Maintenance (CMOM) program) and asset management.

Hannah Mohelnitzky, Public Information Officer **242-6033 (Office) / 669-3560 (Cell)**

All communications with media, digital communications, and social media programs for the Division. Public Relations. Public information sharing through public meetings, press releases, interviews, and social media. Website development. Internal and external communications.

John S. Fahrney, P.E., Construction Engineer, Construction Section **266-9091**

Street and Highway Field Construction and Survey crews and sidewalks.

Chris Petykowski, P.E., Street & Highway Section **267-8678**

Christy Bachmann, P.E., Street & Highway Section **266-4095**

Jim Wolfe, P.E., Street & Highway Section **266-4099**

Streets, bridges, highways, State and Federal projects, pedestrian overpass/underpass, bike paths, development, railroad crossings and repair.

Bryan Cooper, Principal Architect, Facilities Manager 261-5533
Supervise City architects, engineers and construction managers for facilities planning, design and construction.

Eric T. Pederson, P.S., Mapping Section Manager 266-4056
GIS/Mapping/Computer Applications; Street Name and Address Assignments and Changes; Easements; Land Dedications, Acquisitions and Vacations; PLSS Section Corner Monuments and Tie Sheets.

Janet Schmidt, P.E., Storm Sewer Design Manager 261-9688
Storm sewer projects associated with street reconstruction and new development.

Mark Moder, P.E., Sanitary Sewer Design Manager 261-9250
Sanitary sewer projects associated with street reconstruction and new development.

Brynn Bemis, Special Projects Section 267-1986
Brownfields, underground storage tanks, and contaminated site remediation.

Municipal Building Maintenance Services

Stephen King, Program Assistant 1 266-5927
Maintenance and custodial service requests.
