The City of Madison's Community Development Division is committed to furthering racial equity and social justice in our community with our homebuyer assistance funds. The City's Racial Equity and Social Justice Initiative (RESJI) mission is to establish racial equity and social justice as core principles in all decisions, policies and functions of the City of Madison. One of the visions of the RESJI is for living wage jobs, safe neighborhoods, high-quality education, a healthy, sustainable natural environment, efficient public transit, parks and green spaces, affordable and safe housing and healthy food are affordable to all. The City reserves the right to waive general underwriting requirements, including minimum cash reserves after purchase, to fulfill the mission and vision of the Racial Equity and Social Justice Initiative.

## INTRODUCTION

The City of Madison promotes and facilitates homeownership opportunities for low-to-moderate income households. A common recognized obstacle to homeownership for first-time homebuyers is accumulating the necessary funds for down payment and closing costs on a property which is affordable to the homebuyers. The City program is designed to provide assistance to low-to-moderate income households by covering a portion of the down payment and closing costs. These buyers otherwise would not be able to accumulate the necessary funds to qualify for a mortgage loan.

The City of Madison provides first-time homebuyers, with a long-term deferred loan funded by HUD with HOME or CDBG funds, the State of WI and the City of Madison to assist with purchasing a home located within the City of Madison. The program offers loan assistance up to \$35,000 for City of Madison properties (minimum loan \$1,000). The assistance can be used as a mortgage reduction assistance to cover down payment and closing costs on the purchase of a home. For **HOME** funded loans there is a 10-year period of affordability. There is no purchase price limit.

This assistance is a junior mortgage loan that will become due and payable to the City of Madison when the property is sold, cash-out refinanced for other than property improvements, the property is transferred or ceases to be the primary residence of the homebuyer. The loan repayment includes a shared appreciation amount.

To ensure the loan is consistently originated and processed, eligibility requirements have been established and approved by the City of Madison CDBG and the Community Development Committee. The Program is intended to be responsive to the particular needs of the City of Madison Community. Accordingly, the content, policies, procedures and administration of the Program will be subject to continuing review and evaluation; it should be expected, therefore that changes will be made to the Program from time- to-time on the basis of operating experience, and as community needs change. The following pages detail the underwriting guidelines for the program.

City will follow 1<sup>st</sup> mortgage lenders guidelines for debt to include, which could include debt on the credit report but not limited to auto loans, installment loans, charge card debt, and student loans.

For equity reasons, the City of Madison CDD has decided to exclude childcare costs from recurring monthly expenditures that are analyzed during underwriting. This is due to the fact that including child care costs could skew the ratios for households that send children to child care, resulting in an adverse funding decision, while households without child care costs (i.e. due to having no children, having a stay-at-home parent, etc.) would not face such scrutiny of this cost.

### **Judgments, Tax Liens**

Must be paid-in-full prior to closing. Provide a recorded satisfaction.

## **DEBT ANALYSIS**

### **Qualifying Ratios**

Maximum ratios of 38%/55% allowed. Borrower(s) with a housing-to-income ratio less than 25% are ineligible, unless the assistance is needed to qualify for first mortgage financing and an exception is granted.

**The City will also calculate a third ratio which includes PITI + other debts + maintenance & utility expenses, which is calculated by multiplying the square footage of the home by \$0.14, which cannot exceed 75.0%. (This figure is from Multifamily Letter 14-02 (page 15)**

**<https://www.hud.gov/sites/documents/14-02ML.PDF>**

### **Guarantors/Co-Signers**

Guarantors and co-signers are allowed only for credit purposes. The borrower must be able to support the monthly housing payment within the programs ratio guidelines without the support of the co-signers income.

### **Maximum Loan-to-Value**

The total of the first mortgage plus the city funded mortgage(s) and any other loans collateralized by the property, shall not exceed **105%** total combined loan-to-value based on the purchase price of the property or the appraised value whichever amount is less.

### **Housing Payment**

*First mortgage must have a term of at least 30 years.* The monthly payment includes principal and interest, taxes, hazard insurance, condominium association fees, flood insurance and mortgage insurance premium, if applicable. Homebuyers *must escrow the property taxes and homeowners insurance* as a condition of the first mortgage.

**Revolving Accounts, Installment Debt, child support/maintenance, student loans, authorized user accounts, non-applicant spouse debt, business debt, co-signature debt** Use what first mortgage lender uses on application.

### **Offer to Purchase**

Provide a copy of the complete and fully executed contract including all addendums, counters, amendments, and notices.

### **Voluntary Acquisition Form**

It will be the responsibility of the homebuyer to submit a Voluntary Acquisition Form with the Offer to Purchase to the seller. This form is used to satisfy the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). Neither the City of Madison nor the homebuyers have the right to acquire the property by eminent domain.

### **Appraisal**

Appraisal requirements are as follows:

- Obtained in compliance with the Appraiser Independence Requirements
- Compliant with Uniform Appraisal Dataset requirements
- An interior & exterior review by a licensed appraiser

Based on the verified information contained in the loan request file, a recommendation will be made for approval or denial of the homebuyer as the loan recipient. Upon approval or denial, the homebuyer and lender will receive written notice stating the conditions of the loan approval or the basis for denial.

#### ADDITIONAL PROVISIONS

**5. Mortgage as Security.** This Mortgage secures prompt payment to Lender of (a) the sum stated in the first paragraph of this Mortgage, plus interest and charges according to the terms of the promissory notes or agreement of Borrower to Lender identified on the reverse side, and any extensions, renewals or modifications signed by any Borrower of such promissory notes or agreement, (b) to the extent not prohibited by the Wisconsin Consumer Act (i) any additional sums which are in the future loaned by Lender to any Mortgagor, to any Mortgagor and another or to another guaranteed or endorsed by any Mortgagor primarily for personal, family or household purposes and agreed in documents evidencing the transaction to be secured by this Mortgage, and (ii) all other additional sums which are in the future loaned by Lender to any Mortgagor, to any Mortgagor and another guaranteed or endorsed by any Mortgagor, (c) all interest and charges, and (d) to the extent not prohibited by law, all costs and expenses of collection or enforcement (all called the "Obligations"). This Mortgage also secures the performance of all covenants, conditions and agreements contained in this Mortgage. Unless otherwise required by law, Lender will satisfy this Mortgage upon request by Mortgagor if (a) the Obligations have been paid according to their terms, (b) any commitment to make future advances secured by this Mortgage has terminated, (c) Lender has terminated any line of credit under which advances are to be secured by this Mortgage, and (d) all other payments required under this Mortgage and the Obligations and all other terms, conditions, covenants, and agreements contained in this Mortgage and the documents evidencing the Obligations have been paid and performed.

**6. Taxes.** To the extent not paid to Lender under paragraph 8(a), Mortgagor shall pay before they become delinquent all taxes, assessments and other charges which may be levied or assessed against the Property, or against Lender upon this Mortgage or the Obligations or other debt secured by this Mortgage, upon Lender's interest in the Property, and deliver to Lender receipts showing timely payment.

**7. Insurance.** Mortgagor shall keep the improvements on the Property insured against direct loss or damage occasioned by fire, flood, extended coverage perils and such other hazards as Lender may require, through insurers approved by Lender, in amounts, without co-insurance, not less than the unpaid balance of the Obligations or the full replacement value, whichever is less, and shall pay the premiums when due. The policies shall contain the standard mortgage clause in favor of Lender and, unless Lender otherwise agrees in writing, the original of all policies covering the Property shall be deposited with Lender. Subject to Lender's approval, Borrower is free to select the insurance agent or insurer through which insurance is obtained. Mortgagor shall promptly give notice of loss to insurance companies and Lender. All proceeds from such insurance shall be applied, at Lender's option, to the installments of the Obligations in the inverse order of their maturities (without penalty for prepayment) or to the restoration of the improvements on the Property. In the event of foreclosure of this Mortgage or other transfer of title to the Property, in extinguishment of the indebtedness secured hereby, all right, title, and interest of Mortgagor in and to any insurance then in force shall pass to the purchaser or grantee. If Mortgagor fails to keep any required insurance on the Property, Lender may purchase such insurance for Mortgagor, such insurance may be acquired by Lender solely to protect the interest of Lender (it will not cover Mortgagor's equity in the Property), and Mortgagor's obligation to repay Lender shall be in accordance with Section 10.

**8. Mortgagor's Covenants.** Mortgagor covenants:

- (a) **Escrow.** If an escrow is required by Lender, to pay Lender sufficient funds, at such times as Lender designates, to pay when due (1) the estimated annual real estate taxes and assessments on the Property, (2) all property and hazard insurance premiums, (3) flood insurance premiums, if any, (4) if payments owed under the Obligations are guaranteed by mortgage guaranty insurance, the premiums necessary to pay for such insurance, and (5) other items agreed to be included in the escrow. Lender may, at any time, collect and hold such escrow funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Mortgagor's escrow account under the federal Real Estate Settlement Procedures Act of 1974, as amended from time to time. Lender may estimate the amount of escrow funds due on the basis of current data and reasonable estimates of future expenditures of future escrow account funds or as otherwise required by applicable law. Lender shall apply the escrowed funds against taxes, assessments and insurance premiums when due or as otherwise required by law. Escrowed funds may be comingled with Lender's general funds. If the escrowed funds held by Lender exceed the amount permitted to be held by applicable law, Lender shall account to Mortgagor for the excess escrowed funds in a manner determined by Lender or as otherwise required by applicable law. If the escrowed funds held by Lender at any time are not sufficient to pay the escrow account items when due, Lender may notify Mortgagor in writing, and Mortgagor shall pay to Lender the amount necessary to make up the deficiency in a manner determined by Lender or as otherwise required by applicable law;
- (b) **Condition and Repair.** To keep the Property in good and tenantable condition and repair, and to restore or replace damaged or destroyed improvements and fixtures;
- (c) **Liens.** To keep the Property free from all liens and encumbrances superior or inferior to the lien of this Mortgage and not described in paragraph 2 on the reverse side without the City's prior written approval;

- (e) **Waste.** Not to commit waste or permit waste to be committed upon the Property;
- (f) **Conveyance.** Not to sell, assign, lease, mortgage, convey or otherwise transfer any legal or equitable interest in all or part of the Property, or permit the same to occur without the prior written consent of Lender and, without notice to Mortgagor, Lender may deal with any transferee as to his interest in the same manner as with Mortgagor, without in any way discharging the liability of Mortgagor under this Mortgage or the Obligations;
- (g) **Alteration or Removal.** Not to remove, demolish or materially alter any part of the Property, without Lender's prior written consent, except Mortgagor may remove a fixture, provided the fixture is promptly replaced with another fixture of at least equal utility;
- (h) **Condemnation.** To pay to Lender all compensation received for the taking of the Property, or any part, by condemnation proceeding (including payments in compromise of condemnation proceedings), and all compensation received as damages for injury to the Property, or any part. **9. Mortgagor shall indemnify and hold harmless Lender, its directors, officers, employees and agents from all loss, cost (including reasonable attorneys' fees and legal expenses), liability and damage whatsoever directly or indirectly resulting from, arising out of, or based upon (i) the presence, use, storage, deposit, treatment, recycling or disposal, at any time, of any Hazardous Substance on, under, in or about the Property, or the transportation of any Hazardous Substance to or from the Property, (ii) the violation or alleged violation of any Environmental Law, permit, judgment or license relating to the presence, use, storage, deposit, treatment, recycling or disposal or any Hazardous Substance on, under, in or about the Property, or the transportation of any Hazardous Substance to or from the Property, or (iii) the imposition of any governmental lien for the recovery of environmental clean-up costs expended under any Environmental Law. Mortgagor shall immediately notify Lender in writing of any governmental or regulatory action or third-party claim instituted or threatened in connection with any Hazardous Substance on, in, under or about the Property.

**10. Authority of Lender to Perform for Mortgagor.** If Mortgagor fails to perform any of Mortgagor's duties set forth in this Mortgage, Lender may after giving Mortgagor any notice and opportunity to perform which are required by law, perform the duties or cause them to be performed, including without limitation signing Mortgagor's name or paying any amount so required, and the cost shall be due on demand and secured by this Mortgage, bearing interest at the highest rate stated in any document evidencing an Obligation, but not in excess of the maximum rate permitted by law, from the date of expenditure by Lender to the date of payment by Mortgagor.

**11. Default; Acceleration; Remedies.** If (a) there is a default under any Obligation secured by this Mortgage, or (b) Mortgagor fails timely to observe or perform any of Mortgagor's covenants or duties contained in this Mortgage, then, at the option of Lender each Obligation will become immediately payable unless notice to Mortgagor or Borrower and an opportunity to cure are required by §425.105, Wis. Stats., or the document evidencing the Obligation and, in that event, the Obligation will become payable if the default is not cured as provided in that statute or the document evidencing the Obligation or as otherwise provided by law. If Lender exercises its option to accelerate, the unpaid principal and interest owed on the Obligation, together with all sums paid by Lenders as authorized or required under this Mortgage or any Obligation, shall be collectible in a suit at law or by foreclosure of this Mortgage by action, or both, or by the exercise of any other remedy available at law or equity.

**12. Waiver.** Lender may waive any default without waiving any other subsequent or prior default by Mortgagor.

**13. Power of Sale.** In the event of foreclosure, Lender may sell the Property at public sale and execute and deliver to the purchasers deeds of conveyance pursuant to statute.

**14. Assignment of Rents and Leases.** Mortgagor assigns and transfers to Lender, as additional security for the Obligations, all rents which become or remain due or are paid under any agreement or lease for the use or occupancy of any part or all of the Property. Until the occurrence of an event of default under this Mortgage or any Obligation, Mortgagor has the right to collect the rents, issues and profits from the Property, but upon the occurrence of such an event of default, and the giving of notice by Lender to Mortgagor declaring that constructive possession of the Property is in Lender, Mortgagor's license to collect is terminated and Lender shall be entitled to such rents, issues and profits and may, after giving Mortgagor any notice and opportunity to perform required by law, notify any or all tenants to pay all such rents directly to Lenders. All such payments shall be applied in such manner as Lender determines to payments required under this Mortgage and the Obligations. This assignment shall be enforceable and Lender shall be entitled to take any action to enforce the assignment (including notice to the tenants to pay directly to Lender or the commencement of a foreclosure action) without seeking or obtaining the appointment of a receiver or possession of the Property.

**15. Receiver.** Upon the commencement or during the pendency of an action to foreclose this Mortgage, or enforce any other remedies of Lender under it, without regard to the adequacy or inadequacy of the Property as security for the Obligations, Mortgagor agrees that the court may appoint a receiver of the Property (including homestead interest) without bond, and may empower the receiver to take possession of the Property and collect the rents, issues and profits of the Property and exercise such other powers as the court may grant until the confirmation of sale, and may order the rents, issues and profits, when so collected, to be held and applied as the court may direct.

**16. Foreclosure Without Deficiency Judgment.** If the Property is a one-to-four family residence that is owner-occupied at the commencement of a foreclosure, a farm, a church or owned by a tax exempt charitable organization, Mortgagor agrees to the provision of §846.101 Wis. Stats., and as the same may be amended or renumbered from time to time, permitting Lender, upon waiving the right to judgment for deficiency, to hold the foreclosure sale of real estate of 20 acres or less six months after a foreclosure judgment is entered. If the Property is other than a one-to-four family residence that is owner-occupied at the commencement of a foreclosure, a farm, a church or a tax exempt charitable organization, Mortgagor agrees to the provisions of §846.103, Wis. Stats., and as the same may be amended or renumbered from time to time, permitting Lender, upon waiving the right to judgment for deficiency, to hold the foreclosure sale of real estate three months after a foreclosure judgment is entered.

**17. Expenses.** To the extent not prohibited by law, Mortgagor shall pay all reasonable costs and expenses before and after judgment, including without limitation, attorneys' fees, fees and expenses for environmental assessments, inspections and audits, and fees and expenses for obtaining title evidence incurred by Lender in protecting or enforcing its rights under this Mortgage.

**18. Severability.** Invalidity or unenforceability of any provision of this Mortgage shall not affect the validity or enforceability of any other provision.

**19. Successors and Assigns.** The obligations of all Mortgagors are joint and several. This Mortgage benefits Lender, its successors and assigns, and binds Mortgagor(s) and their respective heirs, personal representatives, successors and assigns.

**20. Entire Agreement.** This Mortgage is intended by the Mortgagor and Lender as a final expression of this Mortgage and as a complete and exclusive statement of its terms, there being no conditions to the full effectiveness of this Mortgage. No parol evidence of any nature shall be used to supplement or modify any terms.

Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Condominium Instruments.
- B. Hazard Insurance. So long as the Owner's Association maintains a master or blanket policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage for the periods, in the amounts, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage", then Borrower's obligation under paragraph 7 of the Mortgage to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owner's Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to the common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sum secured by the Mortgage, with any excess paid to Borrower.

- C. Lenders' Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:
  - (i) abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of a taking by condemnation or eminent domain or substantial destruction by fire or other casualty;
  - (ii) any amendment to any provision of the Condominium Instruments if such provision is for the express benefit of Lender; or
  - (iii) termination of professional management of the Condominium Project and assumption of self- management by the Owner's Association.

A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. ## City of Madison Community Development Division Loan Subordination Policy Residential Guidelines

The City of Madison Community Development Division (CDD) will consider a loan subordination request where the subordination results in one of the following:

1. Non-cash out simple refinance, such as interest rate reduction and/or there is a mortgage loan product change (e.g. when a balloon or adjustable rate mortgage (ARM) matures and the owner switches to a fixed product). The new first mortgage loan cannot exceed the current mortgage loan balance secured ahead of the CDD loan (excluding reasonable lender fees).
2. Cash out refinancing where the project owner/borrower seeks to use their appreciation for home property improvements and/or medical emergencies only.
3. The Community Development Grants Supervisor or designee is authorized to approve such request where the City's financial position improves or remains unchanged from original approval.

### **Conditions for Consideration on Single Family Property:**

- A fully completed Subordination Request package must be completed by the lender and emailed to the CDD at [homeloans@cityofmadison.com](mailto:homeloans@cityofmadison.com). Checklist can be found at [this link](#).
  - The lender will be responsible for filing the subordination documents and paying for filing fees. Subordination fees are \$150 for no cash-out or \$250 for cash-out refinance only for home improvement.
  - The CDD loan shall be in no less than second position. (May occasionally allow subordination to third position; for example, when doing a Home Equity Line of Credit (HELOC) for home improvements or medical emergencies.)
  - Must be current with property taxes.
  - A commitment letter will be required from the mortgage lender detailing the term and condition of the new loan, total loan amount, interest rate and loan product. If there is a Land Use Restriction on the property, the letter must state that the mortgage holder understands the restriction will remain in place until the period of affordability has been completed.
  - The combined loan to value (CLTV) on the property cannot exceed 80% CLTV for any cash-out refinance. (70% CLTV for loans with City Property Tax Assistance for Seniors (PTAS) or Special Assessment (SA) Loan. NOTE: PTAS cash-out does not have to be used for home improvements or a medical emergency.) A copy of an appraisal or documentation used by the first mortgage lender to determine value dated no more than six month from the time of the subordination request must be submitted to verify value.
  - Use of cash out proceeds must be for home improvement or medical emergencies only: (Note: exception allowed for Property Tax Assistance loan, do NOT have to use cash out for home improvements or a medical emergency.)
- Borrower must sign a statement stating cash-out funds are being used for home improvements or medical emergencies only. (Not applicable for PTAS.)**

## **Administration and Appeal**

The CDD will require a minimum of 10 business days to review documents and make a determination to approve/disapprove. CDD staff will provide a final written underwriting decision to project owner/borrower/lender. If approved, the Mayor's authorized signature of the Subordination Agreement will require an additional 10 business days.

Any appeals of a loan subordination decision shall be made to the CDBG Committee. [See Appeals policy.](#)
