

Lowell Street Assessment District 2024 - Construction Start

CITY OF MADISON ENGINEERING DIVISION

The City of Madison is planning a project to reconstruct Lowell Street from W Lakeside Street to South Shore Drive. Work is scheduled to begin during the week of July 8, 2024 and the project will be completed around Mid-October, 2024.

The City of Madison has awarded the contract for this work to Speedway Sand and Gravel. A Project Fact & Details Sheet is available on the project page (scan QR code to visit project page). You may request a paper copy of the construction information to be mailed to you by contacting the Project Engineer. The Inspector will be the best on-site contact throughout construction. Key contact information is below.
