

Public Involvement Meeting #2

CTH PD, McKee Road

(Meriter Way – Maple Grove Drive)

June 9, 2016

Project Overview

CTH M Project Corridor Schedule

- 2010 – 2011
 - Pleasant View Rd / Valley View Rd
- 2012 – 2014
 - CTH M & S
- 2017 – 2019
 - CTH PD
- 2017 – 2019
 - Mid Town Rd

Project Purpose & Need

- Poor Pavement Condition
- Congestion (Corridor & Intersections)
- Substandard Bike/Pedestrian Accommodations
- Substandard Sight Distance and Steep Grades
- Deficient Operations at Intersections

Proposed Improvements

Reconstruct Pavement

Meriter Way – High Point Road

High Point Road – Maple Grove Drive

The image shows two cross-section diagrams of pavement reconstruction. The top diagram is labeled 'Meriter Way – High Point Road' and the bottom diagram is labeled 'High Point Road – Maple Grove Drive'. Both diagrams show a multi-layered pavement structure with arrows indicating the direction of traffic flow. The diagrams are accompanied by logos for 'COUNTY PD' and 'K Engineering Madison'.

Proposed Improvements

Increase Sight Distance and Reduce Vertical Grades

11'

The image features an aerial photograph of a road intersection with a cross-section diagram overlaid. The cross-section shows a road with a 11-foot vertical clearance. The diagram is labeled 'Increase Sight Distance and Reduce Vertical Grades'. It is accompanied by logos for 'COUNTY PD' and 'K Engineering Madison'.

Proposed Improvements

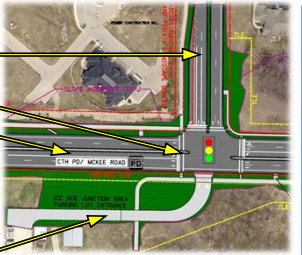

Ice Age National Scenic Trail & Ice Age Junction Path

The image shows an aerial photograph of a residential area with a proposed path highlighted in green. The path is labeled 'Ice Age National Scenic Trail & Ice Age Junction Path'. It is accompanied by logos for 'COUNTY PD' and 'K Engineering Madison'.

Proposed Improvements

High Point Road Intersection

- High Point Additional Lane
 - Future Southbound Dual Left Turn
- Median for Refuge & Safety
- CTH PD Left Turn Lanes
 - Extend Eastbound
 - Add Westbound
- Replace Traffic Signals
 - Countdown Timers
- Bus Pads
- Realigned Parking Lot Driveway

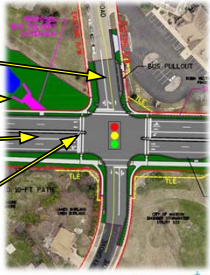

COUNTY PD

Proposed Improvements

Muir Field / Country Grove Intersection

- Muir Field / Country Grove Left Turn Lanes
 - Add Northbound & Southbound
- Box Culvert Extension
 - Badger Mill Creek
- CTH PD Left Turn Lanes
 - Add Westbound & Eastbound
- New Traffic Signals
 - Countdown Timers
- Bus Pads and Pull-Outs
- Median for Refuge & Safety
- Crosswalks
 - All Legs of Intersection

COUNTY PD

Proposed Improvements

J-Turn Access between Muir Field and Silverton Trail

COUNTY PD

Proposed Improvements

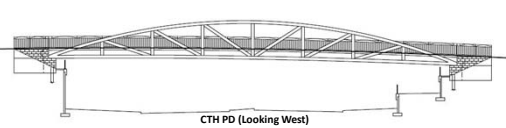

Maple Grove Drive Intersection

- Maple Grove Additional Lane
 - Southbound Through Lane
- Modify Traffic Signals
 - Countdown Timers
 - Future Accommodation of NB Lt Turn Arrow
 - Future Accommodation of EB Lt Turn Arrow
- Bus Pads

Proposed Improvements

Ice Age Trail & Ice Age Junction Path Bridge Structure over CTH PD

CTH PD (Looking West)

Proposed Improvements

Drainage / Storm Water

- Badger Mill Creek Storm Detention
- Storm Sewer System

Utility

- Sanitary Sewer
- Water Main
- Street Lighting
- American Transmission Company
- Madison Gas & Electric

Real Estate Acquisition

- Right-of-Way
- Temporary Easements
- Permanent Easements

Proposed Improvements

Traffic Control & Construction Staging

- One Lane Each Direction with Turn Lanes
- Temporary Pavement Widening & Crossovers
- Temporary Traffic Signals
- Temporary Pedestrian Accommodations
- Limit Closures of Intersection for Construction
- Access to Business and Residential Properties
- Ice Age Trail & Ice Age Junction Path Detour
- Overnight Detour for Structure Construction
