

Building Inspection

Agency Overview

Agency Mission

The mission of Building Inspection is to ensure the well-being of people through the safety of property. The agency seeks to maintain public trust and confidence by improving the construction and maintenance of structures and property, administering codes and ordinances, continually improving codes, procedures and regulations, providing information to its customers, and providing quality services.

Agency Overview

The Agency is responsible for inspection, zoning and code enforcement, and consumer protection. The goal of Building Inspection is to ensure services are efficiently delivered and accessible to residents. To achieve this goal, the Agency will introduce a Bilingual Inspector Program and examine electronic plan review.

2018 Budget Highlights

Building Inspection Division**Function: Planning & Development***Service Overview***Service: Consumer Protection**

Service Description

This service is responsible for inspecting packaging, weighing and measuring devices in gas stations, grocery stores, pharmacies, bakeries, taxis, fuel trucks, etc. The goal of this service is to ensure Madison consumers receive the correct amount of product for which they pay.

2018 Planned Activities

- Study the Weights and Measures services currently being provided to the Town of Madison to determine if the City's Building Inspection Division could provide a better service at a lower cost than the current provider (i.e., State of Wisconsin)

Service: Health & Welfare

Service Description

This service provides assistance to thousands of citizens who need help with property maintenance, ensuring a pleasant setting for City residents and visitors. Responsibilities include enforcement and education efforts regarding sidewalk snow removal, trash, junk, and debris removal, tall grass and weed mitigation, and graffiti removal. This service provides property maintenance inspection services for all buildings, including owner-occupied, rental, and commercial properties.

2018 Planned Activities

- Work with the City's IT Department to provide instant notification to property owners when a case regarding property maintenance violations are entered into Building Inspection's case tracking system
- Begin voluntary email collection from property owners wishing to receive timely notification of pending enforcement actions

Service: Inspection

Service Description

This service ensures compliance with Madison's building and mechanical system ordinances by reviewing and inspecting construction projects, contractor licensing, permit records, sales surveys, preoccupancy inspections, and underground utilities. The process ensures buildings are constructed according to all applicable codes (zoning, building, plumbing, heating, and electrical) and the building is safe to occupy when the project is completed. This service also ensures digital copies of all building floor and elevation plans are attached to the building archives and provides access to digital plans for external customers, including home and building owners, builders, and realtors.

2018 Planned Activities

- In addition to the paper copies currently required under City ordinance, Building Inspection will seek an ordinance amendment that will require the submission of building floor and elevation plans in an electronic format to allow easy storage in their imaging files

Building Inspection Division

Function: Planning & Development

Service Overview

Service: Systematic Code Enforcement

Service Description

This service inspects commercial and residential properties and provides routine building services, ensuring properties and buildings are in compliance with the City's Minimum Housing and Property Maintenance Code. Inspection activities are scheduled through the Community Development Authority (CDA) using data gathered by Building Inspection staff and input from the Neighborhood Resource Teams. This section is also responsible for heating and water leakage corrections, infestation eradication, repair of broken railings, windows, and doors, and dozens of other problems associated with keeping the City's housing stock habitable. The goal of this service is to help maintain property values by eliminating blighting influences.

2018 Planned Activities

- Provide read-only access to case tracking software, allowing Alders fulltime access to all enforcement information, including inspection results/notes, official notices, extension letters and other miscellaneous correspondences

Service: Zoning & Signs

Service Description

This service reviews and regulates Madison's Zoning code and street sign ordinances. The goal of the service is to provide timely resolution of land use issues for developers and the general public. This service provides inspections, investigation, and maintenance for records, zoning changes, and street sign ordinances. The process provides review and approvals prior to issuance of a permit as well as inspection services post-construction to ensure the project was completed in accordance with the approvals.

2018 Planned Activities

- Upload archived documents to the City's data portal
- Provide access through the City's data portal to a limited number of archived documents, including ones that are the subject of many open records requests. Documents that contain personal information will remain restricted
