To: Dave Schmiedicke, Finance Director

From: Daniel Koval, Municipal Court

Date: July 2, 2021

Subject: 2022 Operating Budget Transmittal Memo

Major Goals

The mission of the Municipal Court is to provide an independent and neutral forum for resolution of alleged ordinance violations where the penalty includes primarily a forfeiture.

COVID Recovery

The Municipal Court will use all reasonable efforts to continue to conduct proceedings remotely. Court days will be consolidated and will allow in-person proceedings to be conducted when requested or required. We are able to propose a reduction in overtime hours and other purchased services, such as security and collections, while providing the same or better level of service than pre-COVID.

2022 Request & Equity

The Municipal Court provides a neutral forum for parties to litigate alleged ordinance violations and considers racial and economic disparities when issuing court orders. The court utilizes restorative justice practices and programs to help reduce disproportionate racial impacts.

2022 Request & Sustainability

Our proposal reduces overtime that is no longer necessary due to decreased caseload. Reduction in the cost of some purchased services is due to utilizing programs offered at a low cost to the court and consolidation of court activity.

Major Changes in 2022 Operating Request

Within our budget request, we are proposing reductions to overtime and certain purchased services.

Summary of Reductions

A 5% reduction equates to \$11,889. We have proposed the following actions to reduce spending:

- 1. Reduce overtime by \$2,659; and
- 2. Reduce costs relating to purchased services by \$9,230 while maintaining or improving our current level of service.
