#### Changes from 2024 Adopted CIP

#### Description of Major Changes

Affordable Housing Development, Redevelopment, & Preservation

• No major changes compared to the 2024 Adopted CIP.

#### South Madison Redevelopment

- Funding source in 2025 and 2026 changed from TID-supported GO Borrowing to TIF Increment (TID 51).
- \$2.0 million in TIF Increment from TID 51 was allocated in the 2024 Adopted Capital Budget, for a total CDA Redevelopment budget of \$9.0 million.
- The project will include \$67.4 million in new public health and safety facilities that are budgeted in each of the respective agencies -- Public Health (\$15 million), Fire (\$3.5 million, plus \$4.4 million authorized in 2021 and 2022), and Police (\$44.5 million). Details on those projects are included in each agency's capital budgets.

Capital Improvement Plan (CIP) Overview

Description of Major Changes (continued)

**Triangle Redevelopment** 

- Project budget increased by \$30.2 million in 2025 to fund Phases 2 and 3 of the project. Finance Committee amendment #1 decreased Developer Capital Funding by \$5.0 million and increased TID-supported GO Borrowing (TID 48) by \$5.0 million. Other authorized funding sources for the project include \$19.5 million in Developer Capital funds and \$5.7 million of federal sources.
- The project is in 5 phases. Phase 1 funding (\$11.0 million) was allocated in the 2024 Adopted Capital Budget. Phases 4 and 5 remain on the Horizon List as CDA continues working with the U.S. Department of Housing and Urban Development (HUD) on refining cost estimates. All phases of the project are expected to cost approximately \$300.0 million with a majority coming from outside sources.

Citywide Element	Neighborhoods and Housing	Project Type	Program

#### Project Description

This program was formerly called "Public Housing Redevelopment" and comprises the funds, planning, and implementation of CDA-sponsored affordable housing development, redevelopment, and preservation. This includes public housing redevelopment, land banking pre-development & development, mixed-use developments, Madison Revitalization and Community Development Corporation (MRCDC)-led preservation initiatives, and affordable housing renovation support. The CDA accomplishes these projects with the use of loans from the CDD Affordable Housing Development projects, TIF funding, and various external funding sources such as Low-Income Housing Tax Credit programs and other grants/loan structures. The goal of this program is to provide quality, affordable, and integrated housing for low-income individuals, people with disabilities, seniors, formerly homeless persons, and low-income families. The scope of the program includes the redevelopment of Theresa Terrace, CDA Redevelopment-owned properties that are outside of their 15-year tax credit compliance, public housing units moving through disposition, formerly public housing units that have been disposed out of the HUD portfolio, current public housing sites, currently-held sites waiting for redevelopment, and sites procured through the City's land banking program.

#### Project Description

This project consists of redeveloping surplus property and recent land banking acquisitions into a new CDA South Madison development that will serve many needed functions outlined in the South Madison Comprehensive Plan. Since the adoption of the 2023 Capital Improvement Plan, the City has assembled several acres of land near South Park Street and Badger Road in anticipation of a large, multi-phase redevelopment project featuring several hundred units of affordable housing utilizing TIF funding and housing tax credits. This is a multi-phase redevelopment effort includes the redevelopment of City-owned properties, currently held sites waiting for redevelopment, sites procured through the City's land banking program, and potentially a small number of public housing units. This project encapsulates Capital Budget projects held within the Public Health, Fire, and Police budgets as new facilities are planned for the forementioned agencies. The project will not only increase needed amenities but also affordable housing. Capital planning began in 2024.
