# **Parking**

## Agency Overview

# **Agency Mission**

The Parking Division manages Madison's on- and off-street parking supply to support sustainable transportation choices while providing equitable access to Madison businesses, events, and residents.

## **Agency Overview**

The goal of the Agency is to provide continuous improvement for the customer experience and to improve the City's parking infrastructure. The Parking Division will advance this goal through system efficiencies, expanding cross-training for continuity of operations, and upgrading its off-street parking access and revenue control system.

# **Budget Service Changes**

As part of the 2025 budget process, all agencies evaluated the budget service structure and had the opportunity to propose updates to services. Parking's 2025 budget service structure has been changed from the 2024 adopted budget. Since there were changes to services, the budget does not show a full history at the service level. The budget does show a full history at the agency level by fund and by major expenditure category.

The 2024 Adopted Budget included the following service(s):

- o Garage Parking
- o Lot Parking
- On Street Parking
- o Parking Enforcement
- o Parking Operations

The 2025 Adopted Budget has been updated to the following service(s):

- Garage Parking
- Lot Parking
- o On Street Parking
- Parking Administration and Operations
