2020 Pet Insurance Enrollment

Beginning on October 1, 2019 there will be year-round Open Enrollment for a new pet insurance benefit offered by Nationwide.

The earliest effective date for coverage under this benefit will be January 1, 2020.

Benefit Information:

My Pet Protection from Nationwide is a pet insurance benefit that will become available to eligible City employees beginning on January 1, 2020 and features a group discount on premiums. See the attached sheet(s) for information on this new benefit and how to obtain a no-obligation premium quote. Premiums may vary by pet type, breed, etc. and coverage options selected.

Special Notes

- This is a standalone benefit. You do not need to enroll in any other City benefit(s) to be eligible for coverage.
- Employees in budgeted positions certified at 50% or more of full-time equivalent employment and Elected Officials are eligible for this benefit.
- Hourly and Seasonal employees are not eligible for this benefit.
- Premiums for pet insurance may not be deducted through payroll. Employees who enroll in pet insurance coverage will be direct billed by Nationwide for their premiums.
