

Well Wisconsin Flu Clinic

Subject Line: Protect yourself this flu season by getting your annual flu vaccination!

The Well Wisconsin Program is offering workplace flu clinics.

Flu vaccinations are free and voluntary for all site employees [and spouses] who are enrolled in the State of Wisconsin Group Health Insurance Program.

- You will be required to present your medical ID card at the flu clinic.
- After you register for your appointment online, complete the digital consent form.
 - A link to the digital consent form will be available on the appointment confirmation page and in your confirmation email.

Date: October 15, 2024

Time: 8:00 am to 10:00am additional appointments may be added as times fill up

Location: Madison Municipal Bldg. 215 Martin Luther King Jr. Blvd Room 204

The vaccination will protect against the three most likely causes of flu illness during the upcoming season.

The vaccine is preservative-free.

The vaccine is not recommended for the following individuals:

- Those allergic to eggs or egg products.
- Those who have an active neurological disorder.
- Those with a fever, acute respiratory or other active infection or illness.

Preregistration is required. To register for your flu vaccination appointment, log into the wellness portal at webmdhealth.com/wellwisconsin and click "Register Today" on the Flu Vaccination card.
