

# CITY OF MADISON

## Mentorship Program 2025 Cohort

### Nomination Form

The success of our **Mentorship Program** relies on the engagement and commitment of individuals who are passionate about personal and professional growth. We are seeking nominations, including self-nominations, for **potential mentors and mentees** who could greatly benefit from participating in this enriching experience.

The goals of the Mentorship Program are:

1. Leadership Development: Growth and development of both mentors and mentees.
2. Equity and Inclusion: Promote belonging, retention, and advancement of diverse employees.
3. Organizational Learning: Increase cross-agency socialization, collaboration, and learning.
4. Capacity Building: Build capacity for a citywide mentoring.

Please nominate individual(s) who you feel have a commitment to growth, development, belonging, collaboration, and organizational learning, whether it's yourself or a colleague. Your involvement is key to shaping future leaders, promoting a culture of continuous learning and development, and ensuring the success of the mentorship program.
