City of Madison Playground Options Surfacing

City of Madison Playground Surfacing Options Comparison

Recycled Shredded Rubber	Engineered Wood Fiber Mulch
<ul style="list-style-type: none"> • Meets U.S. Access Board's ADA Accessibility Guidelines for Play Areas • Meets CPSC fall height requirements • Softer play surface material • Provides alternative use for recycled tires • Sandalwood/brown color-coated to reduce heat impact compared to non-coated black recycled rubber • Higher initial cost, lower maintenance cost • Needs to be topped off every 5 years depending on site conditions and use • Non-biodegradable • Thaws fast, playgrounds available throughout the year 	<ul style="list-style-type: none"> • Meets U.S. Access Board's ADA Accessibility Guidelines for Play Areas • Meets CPSC fall height requirements • Not as soft as recycled shredded rubber • Created by the City from fallen trees and limbs that would otherwise be chipped for mulch • More likely to get mold and mildew spores • Lower initial cost, higher maintenance cost • Needs to be topped off every 1 to 3 years depending on site conditions and use • Biodegrades • Thaws slowly, playground use limited during winter conditions

City of Madison Playgrounds Next Steps

Please plan on joining in for the second meeting for the playground replacement for Paunack Park, where we will be reviewing and discussing the proposed playground designs.

Next Playground Meeting (via Zoom): **Proposed for February 4, 2021 @6pm**

Additional information related to this project is posted on the Parks Project Portal, here: <https://www.cityofmadison.com/parks/projects/paunack-park-playground-improvements>

**Contact Kate Kane, project manager, with additional questions or comments.
(608) 261-9671 or kkane@cityofmadison.com**

**If the neighborhood is interested in fundraising, the goal must be established by: 2/4/2021 (by 2nd mtng)
85% of the total fundraising goal must be received by Madison Parks Foundation by: 4/14/2021**
