Missing Person: Eric Boll

The City of Madison Police Department is looking for your help in attempting to locate missing person Eric Boll.

Eric left his residence on the Eastside of Madison on August 23, 2024, on his e-bike (pictured below) and has not been seen or heard from since.

Update: MPD continues to search for the whereabouts of Eric Boll, who rode off from his home on e-bike. There are concerns Eric may have harmed himself. MPD has used extensive resources to locate Eric, including drones, the MPD Mounted Team, K-9's, and foot patrol through area parks and wooded areas. The East District is adjacent to rural and wooded/farmland areas outside of the City. Residents of the East side and neighboring areas, particularly those who own wooded/remote property are encouraged to check their private properties and contact 911 if he is located.
