Thank you for supporting the Madison Senior Center!

2022
Annual Report

Greetings

After two years of dealing with the impacts of the COVID-19 pandemic, the Madison Senior Center remains a relevant resource to Madison's older adults, offering an array of in-person and virtual programs. None of which would be possible without great collaborative partner organizations and our fabulous volunteers!

In 2022, the Madison Senior Center received a Community Impact Award from Edgewood College, a 20+ year partner, for being instrumental in recruiting Madison-area senior volunteers. These volunteers work with Edgewood nursing students in an enriched learning environment for senior volunteers and students alike.

We also celebrated 25 years of our preschool craft program at the Madison Senior Center. This partnership between the Madison Senior Center and St. James School has been bringing joy and creativity to both young and old.

We are thankful for and proud of our community partners and volunteers, and look forward to our continued work together as we uphold our commitment to providing programming and services that support the growing older adult population in the City of Madison.
