Get Moving to the Annual Meeting

TUESDAY, APRIL 19, 9:30-11 AM

Featuring a breakfast buffet and a keynote speaker

We are so excited! It's been three years since we have been able to host our Annual Meeting and show our appreciation for all of the wonderful volunteers and participants who make MSC such a special place.

Join us for a breakfast buffet and Get Moving with Susan Frikken. If you intend to join us for the buffet, **please register in advance.**

It's time to emerge from your home, your chair, winter, the pandemic, and more. We'll learn about the science of movement, simple tips for things you can do in your everyday life, and the fun movement offerings in the community. We'll even try a few things! Come with your own ideas and questions for this interactive event!

Susan Frikken, DPT, LMT is a physical therapist and a massage therapist in private practice in Madison, having received her undergraduate degree at Ripon College, and Doctor of Physical Therapy degree at UW-Madison. She incorporates art and nature into therapeutic practice, helping to change the way of health and wellness care in our country. She is adjunct faculty and a guest lecturer at UW-Madison, and is also a certified leader of Stepping On, an evidence-based falls reduction program. Susan is a founding member of the Madison Area Wellness Collective [now Be Well Madison], a non-profit whose goal is to make health and wellness choices easier and more accessible by connecting practitioners and community. She loves dancing, bicycling, bird watching and counting, hiking, and playing at just about anything. Originally from metro Detroit, she lives in Madison with her wife and animals.

Still Alice

THURSDAY, APRIL 7, 1-3:15 PM

Dr. Alice Howland is a renowned linguistics professor at Columbia University. When words begin to escape her and she starts becoming lost on her daily jogs, Alice must come face-to-face with a devastating diagnosis: early-onset Alzheimer's disease. As the once-vibrant woman struggles to hang on to her sense of self for as long as possible, Alice's three grown children must watch helplessly as their mother disappears more and more with each passing day. It is a heartfelt drama that honors its delicate themes with bravery and sensitivity.

After viewing the movie join us in a discussion about the movie, the disease and to share personal experiences. UW-Madison students who are studying Dementia this semester will facilitate the discussion. 

America's Untold Story

WEDNESDAY, 12-1:30 PM, APRIL 20, 27 AND MAY 4, 11

Before Jamestown... before Plymouth... the first permanent European settlement in the United States was founded two generations before the Pilgrims arrived – in 1565 – not by English Protestants, but by a melting pot of Spanish, Africans, Italians, Germans, Irish and converted Jews who integrated almost immediately with the indigenous tribes. Uncover the story of America's past that never made it into textbooks. View and hour long video each week followed by a facilitated discussion.

Exploring Poetry

2ND & 4TH WEDNESDAY, 11 AM-12:30 PM

This program is for anyone who enjoys poetry. There will be opportunities to read, recite and write. *Best Words, Best Order* is the title of a collection of essays by the poet Stephen Dobyns which in just those four well-chosen words perfectly describes what a poet aspires to when putting a poem together. Writing poetry is spills and thrills for the beginner and expert too. There are countless small pitfalls but sometimes in the writing something happens, an ah ha moment where the poet feels he/she can say or almost say precisely what needs to be said. Think about how a joke works, it's a little like that. Led by local poet, Mark Kraushaar.

MSC Book Club

**MEETS THE 3RD THURSDAY OF EACH MONTH,
THURSDAY APRIL 21, 1-2 PM**

A book club is a fun way to enjoy books and meet new people. Each month we read a different book and rotate facilitators. Books are often available at the library, and can be reserved in advance. You do not have to read every book. *R*

♥ **April 21: *The Personal Librarian*** by Marie Benedict

The remarkable, little-known story of Belle da Costa Greene, J. P. Morgan's personal librarian—who became one of the most powerful women in New York despite the dangerous secret she kept in order to make her dreams come true.

♥ **May 19: *In the Distance*** by Hernan Diaz
A Swedish boy is separated from his brother in their 19th-century immigration to America. He ends up in San Francisco instead of New York and decides he can just walk East. In a unique experience of the Old West, he meets naturalists, criminals, religious fanatics, Indians, and lawmen, and his exploits turn him into a legend.

**EVERY OTHER MONDAY
APRIL 4 & 18, 1-2 PM**

If you aren't already a euchre player, you don't know what you are missing. It is a fun card game that moves along quickly. Every other Monday join us at the Senior Center to play. Not sure how to play, or feeling a little rusty? No problem, instruction is available.

Avoid Isolation

As people get older, there is a tendency to get less active. For many seniors it becomes easier to just stay home rather than go out with friends or head over to the senior center. It is important to not fall into a routine of isolation, and to be proactive about activity. Socialization has been shown to be highly effective at improving mental health; and research is showing a strong correlation between the effect mental health has on a person's physical health. Participating in group activities is an excellent way to meet people with similar interests.

Gay, Gray & Beyond

2ND & 4TH THURSDAY, 2-4 PM

GG&B is a discussion group for those fortunate enough to have arrived, that is, for those who know the obstacles, but also recognize that there have been joys. Those who look beyond the closet. Let's get together consider our individual selves, our unique strengths and the nature of our ever-changing world. Sponsored by the LGBTQ 50+ Alliance.

Spanish Conversation

WEDNESDAYS, 1:30-3 PM VIRTUAL

Do you want to practice your Spanish? Our group meets every week to chat in Spanish. Pop in when you can. There are no attendance requirements. To register email gflesher@cityofmadison.com. Once you are registered you will be sent the Zoom link. All levels welcome. Spanish Conversation meets via Zoom. *R*

Gather round for some friendly competition. A great way to get a little exercise and meet other people. You can fire up the Wii anytime the TV is available.

VOLUNTEER VIEW

Volunteer Opportunities

FRONT DESK RECEPTION

This is the focal point of the Madison Senior Center. If you like to know what's going on and when, and have office skills, this may be the spot for you. MUST have computer/phone/office skills and experience. Shifts are 4 hours, weekly and Mon - Fri.

MUSICIAN

Put your talents to use by performing, playing with, or teaching music to seniors? We have a number of opportunities for volunteers to perform for special events, play in unorganized jam sessions, and offer music instruction throughout the year. We have pianos on site, but encourage any instruments.

LINE DANCE INSTRUCTOR

Line Dancing is a great example of one of MSC's new programs that has been successful in an online format. Dancers socialize online, practice advancing their skill and improve their mood (have fun!). Contact us to turn your love of line dancing into a great volunteer role!

MODERATOR/HOST FOR BOOK CLUB

Are you a person of color who is excited about advancing racial equity and social justice? Help MSC pick books, formulate questions, and lead a monthly hour-long book club. This new book club will offer different perspectives. A minimum of 5-6 month commitment is required. This is a grassroots program, and it will be dependent on input from the facilitator.

SEW MUCH?

Do you like to help others? Many older adults either don't sew or are no longer physically able to do even basic mending. This would be a new service at the Senior Center, and would include things like sewing on buttons, hemming pants/skirts, replacing zippers, and making alterations. We have three sewing machines, but you could use your own. The plan is to have this be a social experience at the Senior Center, but we will adapt for as needed for the pandemic.

For more volunteering info, contact John, 267-2344 or jweichelt@cityofmadison.com.

Volunteer Spotlight:

Fan Zheng

Please welcome Fan Zheng as the newest volunteer at the front desk. Stop by and meet him when you get a chance.

Why do you think the Madison Senior Center is important? My father who does not speak much English made friends at the Madison Senior Center during his visit to Madison a couple of years ago. I learned about MSC from my father. MSC provides great volunteer opportunities. Volunteering at Madison Senior Center opens my eyes to the resources out there for seniors. Hopefully it will provide me with some insights or ideas to make websites or apps designed for seniors in the future.

Surprising things people might not know about you? I speak fluent Chinese. Surprise!

What fictional character do you wish you could meet? Ellie from the Pixar movie *Up*. I would not mind meeting someone with spirit and kindness.

Favorite celebrity over 55 and why? Robert Downey Jr. I just love his role of Iron Man and Iron Man's role in Avengers. I am sorry he's no longer with us... I mean Iron Man.

If you could relive an event or moment in your own life, what would it be? I would like to relive dream I had where I was one of the team members of Voltron when I was a kid.

What's the one food you could never bring yourself to eat? Durian. Americans probably don't know about this fruit. It is smelly and tastes like fat. I tried it a couple of times, but I could not swallow it.

What pop culture or art do you turn to when you have had a bad day? I like to listen to American music when I am in a good mood, but I prefer Chinese pop songs when I am sad.

Hobbies for other interests? I was a mathematician, now math is more of a hobby. Sometimes I would enjoy reading a math book for hours.

eFood Pantry: Food Pantry Online Ordering System

We are proud to announce a new partnership with the River Food Pantry. Beginning in April, the Madison Senior Center will become an online ordering station, and a pick-up location.

That means that if you order food through the ePantry, you can pick it up at the MSC instead of driving to the River Food Pantry, which is out by the airport. It also means that if needed, we will assist you with online ordering. Come in on the 3rd Tuesday, April 19, 9am – 3pm if you want assistance getting signed up, or changing your existing pick-up location to the Madison Senior Center.

Once a month, households have the option to order their groceries online. Based on household size, families select from a variety of healthy and nutritious food, including fresh produce, meat, dairy, culturally relevant offerings, and special dietary options, such as vegetarian and gluten-free items. Orders must be picked up on the 3rd Thursday, April 21, between 10am and 12pm.

To be eligible to order from the eFood Pantry, you must live in Dane County, and meet the TEFAP eligibility and income guidelines. To get started you have to fill out a form online, bring in proof of identification (state ID, drivers license, insurance card, etc.) AND proof of residency in Dane County (utility bill, lease agreement, mail, etc.). If you don't have access to a computer or need assistance, you can come to the Senior Center, use our computer lab.

This is a great opportunity for seniors experiencing food insecurity to have access to a community food bank, that normally might be inaccessible. If you have any questions contact John Weichelt, (608) 267-2344.

Many thanks to Vista West of Capri Communities for the special delivery of Valentines in February. Everyone who received one expresses how much it meant to them.

Hmong Dance

MONDAYS: APRIL 4, 18 AND MAY 2, 16, 10-11 AM

Much of the history of Hmong dance remains unknown, but the evolution of Hmong Dancing rose in the 1970s and resembles traditional Lao dancing. It consists of flowy or sharp arm movements, simple footwork, and intricate hand movements-- closely following the structures and rhythm of a Hmong song. It can be recreational or competitive. *R*

Our instructor, Maika Thao, is a third-year student at UW Madison studying Genetics & Genomics. She did not have the opportunity to Hmong dance competitively growing up, but always found space and time to choreograph Hmong dance for fun. On campus she is one of the lead dancer/choreographers for a group called SEADO (Southeast Asian Dancing Organization).

Here is a link to an example of Hmong dancing, in this particular dance, Maika is in the dance and helped choreograph it. https://www.youtube.com/watch?v=8vgwt7IfMVc&ab_channel=SEADOWisconsin
