## Searching for Images

You can enter search terms in the “QuickFind” search bar, or click the  icon next to it to conduct an advanced search. Using the advanced search, you can search by keywords, usage rights, photographer name, file size, and more. Keywords include City employees, City facilities, parks, attractions (i.e. Capitol Square), events, season, weather, and more. Existing keywords will appear as suggested searches.

## Appropriate Use

The images in the Photo Library may only be used by **City staff** for official **City business**. Before using any photos, look at the Usage Rights (below). If they are City Employee Taken, no attribution is needed. Other Usage Rights may require attribution, or may have some limitations on where or how they can be used.

## Sharing Images Externally

Before sharing images externally, get permission to share from the department that owns the image. The owning department, division, or team will be labeled in the keywords, as “**Owner – Agency Name**”.

If you share the images with external organizations, the organization must provide photo credit by attributing the photo to “**City of Madison, Wisconsin**”.

Only share images with external organizations when there is a benefit to, or partnership, with the City.
