

LARGE ITEM COLLECTION for August Moving Days

What is a Large Item?

Items that are too large for your collection carts like carpet, furniture, and appliances, or that require a special collection fee, like a fluorescent light fixture, are considered large items.

Large Item Collection Rules

- » Items must be shorter than 8 feet in length.
- » Place items at edge of roadway or on terrace.
- » Keep items four feet from obstructions.
- » Keep items away from overhead obstructions like low wires or branches.
- » Stack items neatly.
- » Separate metal items and appliances from other large items.
- » A list of items requiring a recycling fee can be found on the reverse side.

How to Schedule Your Large Item Collection

- » Complete a work order at www.cityofmadison.com/LargeItemWorkOrder
- » Set items out for pickup on the date you selected. Do not set them out early.
- » Be mindful of the special move out rules.

Certain Items Require a Fee

- » Use the work order system to pay for the items requiring a fee.
- » The work order website is www.cityofmadison.com/LargeItemWorkOrder
- » See the reverse side for a list of items that require a fee.

Will You Receive a Sticker?

If you paid a fee for an item when scheduling your curbside pickup, you will not receive a sticker. Just set the item out on the date you chose.

If you paid a fee for an item to drop-off, you will receive a sticker. Items requiring a fee will not be accepted unless they have the appropriate sticker attached to them.

Use Cart for Small Items

If an item does not require a fee, and it is small enough to fit into the correct cart for the item, then you should use the cart. For example, small pieces of furniture, lumber, and toilets can be placed into the trash cart.

Large Items That Will Not Be Collected at the Curb

- » 55-gallon, 30-gallon, and 25-gallon barrels or drums
- » Concrete, cement, poles filled with concrete, bricks, rocks, etc.
- » Pressurized tanks (propane, helium, etc.)

Televisions, Monitors, and Computers

Do not set these at the curb. You must take them to a drop-off site.

August Moving Days

There are special rules for large item collection during moving days in the student apartment area. And there are extra trash & recycling collections in these areas, too.

Details about these special rules and a map of the student apartment area can be found at www.cityofmadison.com/MovingDays.

Don't Trash Good Stuff

Don't send reusable items to the landfill. Madison has many avenues to donate, share, and sell items. Some donation places will even collect items from your home for free. For a list of resources go to www.cityofmadison.com/ReUse.

Drop-off Sites

Large items are accepted at drop-off sites. For hours, locations, and restrictions go to www.cityofmadison.com/DropOffSites.

Wood stoves			

Special Handling Instructions for Certain Large Items

- » **Carpet & carpet padding**
 - Roll it up and secure the roll with rope, or duct tape, or similar
- » **Glass items (table tops, mirrors, doors, windows, etc.)**
 - Tape the glass from corner to corner to form an X shape to help contain the pieces if it breaks during collection
- » **Lawnmowers, snow blowers, and other items with similar engines**
 - Drain fuel and oil prior to collection
- » **Poles (wood, metal, etc.)**
 - Remove concrete from end

Stickers Required for Drop-Off

If an item requires a fee sticker, you must have it attached to the item before it will be accepted at the drop-off sites.

Electronics Recycling

Do not set televisions, computers, monitors, or other electronics at the curb. Take them to a drop-off site.

How to Pay the Recycling Fee

ONLINE:

- » Use the large item work order system at www.cityofmadison.com/LargeItemWorkOrder

CALL:

(608) 266-4681 (Streets West)
or
(608) 246-4532 (Streets East)

MAIL:

Mail a check along with an explanation of the request to either Streets Division office. Make the check payable to City Treasurer.

- » Streets Division - West
1501 W. Badger Rd.
Madison, WI 53713
- » Streets Division - East
4602 Sycamore Ave.
Madison, WI 53716
