Do not have information yet.

There are 147 student-parking stalls at the high school. They are assigned to seniors. Students who have disciplinary problems as juniors or seniors are not eligible.

**4) What is the policy/practice of outside supervision after school?**

There is a staff member assigned to bus supervision at the north entrance until all students have boarded the buses.

**5) What is the school's evacuation plan?**

For incidents that may require evacuation of the building such as a bomb threat, our students would walk or be bused to Immaculate Heart of Mary School depending on the weather. In a community-wide crisis such as a chemical spill, we would follow the direction of law enforcement as to whether students would be allowed to drive from school or would stay under our supervision and be moved to the evacuation site. I will bring a copy of our Emergency Procedures to the next meeting.
